Notification No. 11174, *dated 3rd January* 1928.

The following resolution passed at the Senate meeting held in November 1927 and approved by Government in their Order No. D. 6689—Uni. 182-27-2, dated the 27th December 1927, is published for information :—

"A student shall be considered to have studied for a year at an Intermediate College, if he shall have attended not less than three-fourths of the number of working periods in each of the subjects during the said year."

The above rule will be brought into force from the next academical year.

Notification No. 11179, *dated 3rd January* 1928.

The following is the detailed syllabus in Dynamics for students taking Additional Mathematics for the Intermediate Examination in Science :—

1. Displacement, velocity and acceleration (linear and angular) all defined in the notation of the Calculus—with simple applications to motion in a plane.
2. Mass and Force. First and Second Laws of motion. Resolution and composition of vectors (displacement, velocity, acceleration and force) with applications to simple problems such as uniform motion in a circle, motion of projectiles under gravity.
3. Work and Energy : Conservation of energy.
4. The Third Law of Motion.
5. Simple harmonic motion with applications to the simple pendulum and the spring.
6. Parallel forces, moments, couples, conditions of equilibrium of forces in a plane.
7. Centre of Mass.
8. Simple machines.

Note.—All students taking Additional Mathematics should be given the necessary experimental instruction in the Physics Department.

Notification No. 11177, *dated the 3rd January* 1928.

Ordinance 54 A (pages 21 to 23 of Calendar for 1926-27, Vol. I) has been amended as under :—

(i) "In clause (4) of the Ordinance, page 22, delete the second sentence and substitute the following : —

The Registrar shall then ascertain if the nominated candidates are willing to serve as members of the University Council, by sending requisitions to them. Failure to receive a reply from any such candidate within a fortnight after the requisition is sent shall be construed as unwillingness on the part of such candidate to serve as a member of the University Council.

(ii) In clause (5) thereof, (on the same page) in line 1, substitute for the words "by the notice" the words "for receiving the replies."

The two clauses of the Ordinance as amended will read as under :—

"54A. (4) Any person entitled to vote may within the period fixed send up a nomination paper containing names of not more than the number of candidates to be elected. The Registrar shall then ascertain if the nominated candidates are willing to serve as members of the University Council by sending requisitions to them. Failure to receive a reply from any such candidate within a fortnight after the requisition is sent shall be construed as unwillingness on the part of such candidate to serve as a member of the University Council.

(5) On the expiration of the period fixed for receiving the replies, the Registrar after scrutiny of the nominations received, shall prepare and send to every person entitled to vote, a list of the candidates duly nominated and willing to serve as members of the University Council together with a voting paper, and shall also specify the date fixed for election and the time on the said date by which votes must be deposited with him."
